Fraternal Order of Police Members:

This is what I am able to offer my accounts like the Fraternal Order of Police on the Residential Mortgage side now that I will be a Mortgage Consultant. Here are the benefits:

Benefits for using the mortgage programs of Southwest Funding for employer-employee Benefit packages, association-trade group or fraternal associations:

1. Special lending programs for Public Servants including Firemen, Police personnel, medical employees, and teachers including administrative employees of school districts. Program includes zero down payment, high debt to equity ratios are allowed, less than perfect credit, rates lower than what they could otherwise qualify for.
2. Fraternal organizations members enjoy reduced closing costs. Free pre-qualification analysis. Free credit restoration services. (We are a registered and bonded and have met the requirements by the state of Texas as a credit service organization). We do not charge application fees, broker fees, and credit report fees for appraisal fees to members. On loans over \$125,000.00 and with good credit there are no origination or discount points charged.
3. Our diversity of loan programs include 103% Loan to Value loan, no-doc loans, stated income loans, loans for those who have had credit problems in the past.

Credit Restoration out in the market can cost between \$600-\$3,500. They will do it for FREE. I hope this will be beneficial to your members.

Kind Regards,

Virginia M. Jellison

## EMC National Life Company Cancer Plan and 30 other Specified Diseases!

What costs are not covered by your insurance?????

Non-medical expenses account for 65% of all cancer costs

- ✓ What if you need a specific treatment and insurance wont pay for it?
- ✓ Insurance Deductibles and Co-payments(out of pocket expenses)
- ✓ Experimental treatment
- ✓ Loss of income
- ✓ Cancer Screening
- ✓ Transportation to Specialty treatment centers
- ✓ Private duty nursing
